Environmentally aware - We use clear plastic called APET for all our hang tabs and shelf wobblers. APET plastic is more environmentally friendly than PVC as it can be recycled easily. This all helps when it comes to reducing carbon emissions.

Hang Tabs BOOK Range

We would like to present our new Hang Tab Book Range where we now offer 5 different styles of hang tabs in book format.

Our Hang Tab Book Range is the perfect solution for the repair of damaged, hanging products within a retail environment. There are 10 tabs per book, making these ideal for quick manual repairs on in-store applications.

If you have any questions regarding our products, or to arrange a free sample pack to be sent to yourself, please contact our sales and technical department on:
