Hang Tabs

Rigid Hang Tab Hooks

We offer a vast range of **Hang Tab Hooks** in different formats to suit your requirements.

Our Hooks are designed to allow their use on a number of in-store slat wall Euro Hook & Prongs, this will provide effortless efficiency when adjusting stock in-store.

As the APET material we use is clear, using our Hang Tabs will not affect or cover any of your product or brand when displayed in store. A combination of the high quality APET and Adhesive we use on our Hang Tab range, will keep your product hanging in the most difficult of retail environments. All our Hang Tab Hook images are displayed with the adhesive facing forward.
